

SOUTHPORT STATE HIGH

Choosing the right high school is one of the most important decisions that you will make in your child's life. In today's ever changing world it is imperative that all students are well prepared for the future. At Southport State High Independent Public School we are committed to providing innovative learning environments that promote student achievement through a broad range of pathways.

You are invited to our

Excellence Information Evening at the Sports Centre

(Brooke Ave)

Monday, 18th February 2019
