

BOOK WEEK 2020

Each year Musgrave Hill brings students and books together to enjoy CBCA Book Week. During this wonderful week we celebrated books and Australian authors. Our students participated in reading activities, completed the Premier's Reading Challenge and read with 'Buddy' classes to highlight the importance of reading. Most importantly, we held our 2020 Book Week Parade with a best dressed competition in each year level. We enjoyed seeing our students dressed as their favourite book character and dancing across the stage. Thank you for encouraging your child to participate and for nurturing their love of books as much as their teachers do.
