

Prep Yellow Newsletter Item

Prep Yellow has worked hard learning our sounds for the term. We have made crafts to match these sounds. Crafts are not only fun but allow for cutting and gluing skills to be worked on. These fine motor skills are important for learning to write the letters during our handwriting and writing activities. Check out some of our work!

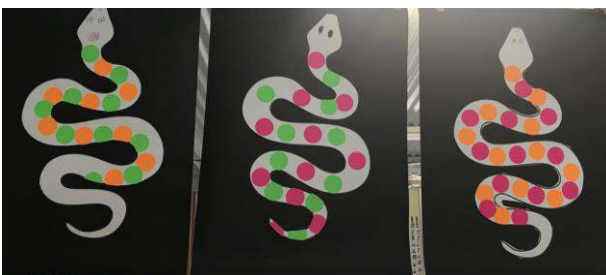

p is for popcorn

o is for octopus

c is for caterpillar

s is for snake

a is for apple

Prep Yellow is learning about materials during science. Our science table is a place to touch and compare the different materials. We have been discussing the properties of these materials.
